EarthJustice, an environmental law nonprofit, has since brought a suit against the Army Corps of Engineers for permitting the continued DAPL construction.. Name: RestoreTools pkg; Size In this report, we examine how the new administration's policies, proposed budget cuts, stated priorities, and political appointments will increase toxic burdens on environmentally impacted communities, including communities living near hazardous industrial facilities, and farmworkers at risk of pesticide exposure.. After months of protest and injuries to over 300 protesters, the pipeline construction was finally halted in December of 2016.

ABSTRACT Environmental justice (EJ) is at the nexus of many issues and institutions the Trump administration has promised to dismantle—climate science, environmental protections, and industrial regulation.

“Pursuing a Toxic Agenda” is the second part of a multipart series on the early days of the Trump administration.. Shaquilla Singh, EDGI Data from: Note the PHMSA data contains input errors The points are placed by the given latitudinal and longitudinal coordinates and may not match up to the city or state shown.. TABLE OF CONTENTS •••••

••••• I.. On June 21, 2017, a U S District Court in the District of Columbia found that among other things, the Army Corps of Engineers’ environmental justice analysis “was unlawful because it adopted a half mile buffer to assess oil spill risks, when studies have shown that, on a river like the Missouri, oil spills could reach far beyond a half mile.. As one of Trump’s first executive orders resumed construction, it shows that he prioritizes fossil fuel interests above the health and wellbeing of indigenous and other minority communities.. While Energy Transfer Partners argues that the pipeline is technically not on tribal land, Oceti Sakowin scholars have demonstrated that the pipeline does indeed occupy sacred land that the 1851 Treaty of Fort Laramie later expropriated.. ” The Court also found it unreasonable to only consider environmental justice implications within half a mile, when the Standing Rock reservation lies 0.. The (EDGI) is an organization comprised of academics and non-profit employees that promotes open and accessible government data and information along with evidence-based policy making.
